

November 15, 2020 - What God Can Do

Acts 7:57-8:3

Saul was already filled with passionate hatred for Jesus and His followers indicated by him being the one who kept the witnesses outer garments.

- This identified him as having a leading role in seeing that this execution was carried out.

And also by his specifically being named as giving approval to Stephen's death.

And further by Luke's statement that Saul began to destroy, or ravage, the church.

In essence, Saul became the personification of the persecution of the Lord's Church.

Acts 9:1-22

The reference to Saul "proving" that Jesus is the Messiah probably means that he was 'putting it together' for the Jews from the Old Testament Scriptures.

Four times in Daniel chapters 4 and 5 we are told that "the Most High [God] is sovereign over the kingdoms of men and gives them to anyone He wishes."

Proverbs 21:1

Our Sovereign Almighty God can do **ANY** thing He wants with **ANY** one He wants in **ANY** way He wants and at **ANY** time He wants as He sees fit in order to accomplish His good will and purposes for His Kingdom and His people!

Therefore, let us trust Him and obey Him fully and absolutely without wavering, without whining, and without wringing our hands!

God...HAS...got...this!
